We are thrilled to announce that President & CEO of @precisionbiologics, **Philip M Arlen**, will deliver a keynote address at our upcoming Immuno US 2024 Conference!

Join us on October 28 to hear Philip share his experienced insights on Design & Development of Monoclonal Antibodies Against Novel Cancer Targets

This is an incredible opportunity to hear from a visionary leader. You won't want to miss this!

Stay tuned for more updates. See you there!
